Support the Rotary District 7090 Youth Exchange Program

We're reaching out with an exciting opportunity to make a lasting impact – help us raise **$25,000 by June 2026** in support of the **Rotary District 7090 Youth Exchange Program**.

This program creates life-changing experiences for students, fostering global understanding, leadership, and personal growth. Each year, students come together through a series of enriching district events and activities that build connection, confidence, and cultural awareness.

These gatherings are at the heart of the program – bringing students together, strengthening friendships and creating unforgettable learning opportunities.

Your support will directly fund essential group experiences, including:

- Orientation Weekend
- Hamilton Weekend
- Buffalo Weekend
- District Interviews
- Algonquin Wilderness trips
- Jamestown, NY Weekend
- Niagara-on-the-Lake Weekend

In addition, funds raised will:

- Support the **student bursary program**, helping ensure that outbound students in financial need still have the opportunity to participate
- Respond to the **extreme rising costs** in transportation required to support the youth and programs across District 7090

This campaign is about more than meeting a financial goal – it's about sustaining a program that shapes young leaders and builds bridges across cultures.

Every contribution, no matter the size, makes a difference. If you're unable to donate, sharing this campaign with your network is another powerful way to help.

Join us in empowering the next generation of global citizens. DONATE TODAY and be part of something meaningful.
