

Community Request for Financial Support

Overview

The Rotary Club of Fonthill is a local service club which is part of Rotary International. The work of all Rotary Clubs internationally is focused on the following seven areas:

- Promote peace;
- Fight disease;
- Provide clean water, sanitation, and hygiene;
- Save mothers and children;
- Support education;
- Grow local economies;
- Protect the environment

Through our fundraising efforts, the Rotary Club of Fonthill is pleased to provide financial support to community groups located in Pelham or meeting the needs of the residents of Pelham.

In the past, we have supported the Lincoln Pelham Public Library, Wellspring, Big Brothers Big Sisters, Pathstone Capital Project, the United Way, Pelham Cares and Women's Place Niagara to name just a few.

To be considered for our twice annual donations we ask organizations to complete and submit the attached application. Requests submitted by September will be considered in October and those submitted by February will be considered in March of each year.

Please note that our club may also respond to local, provincial, national and international crises with financial donations outside of the timelines listed (e.g. Aid for Ukraine).

To learn more about our club and the work we do in our community, please go to our website at www.rotarycluboffonthill.ca.
