

ROTARY CLUB OF FONTHILL

DIRECTOR REPORTS

July 15, 2020

Vocational Service – Heather

A group of young professionals hosts this event in Toronto for Sick Kids annually and raises about \$100K. I think it would be really cool for Rotary Clubs in Niagara under the Vocation umbrella to look at doing this event in some form with the Rotaract Clubs.

The ticket price would be less and if we are still in a virtual world we could do it in small break out sessions on Zoom.

In lieu of a report I am sharing these three screenshots with you showing 'Facebook Insights'. I will roll these regularly into the monthly reports to show progress as we expand our public relations activity. I will also produce a monthly report on the District Public Image Committee starting next month. Feel free to share this information with the Board as you see fit.

There has been a call from District 7090 Secretary for reports for the August newsletter. Frank recommended we submit the Canada Day Committee report as our contribution. Everyone supported this idea. Dave will submit the report this week.
