Family FunFest Day Saturday Sept. 12

Once again the Rotary Club of Fonthill will host our **Annual Family FunFest** at **Bissell's Hideaway Resort**. This is the most anticipated event of the year where we will have the full use of one of the most popular and delightful playground facilities in the Niagara Region.

Plans for this **exhilarating day of unique enjoyment for the whole family** will include: an irresistible splash pad, a gigantic one acre swimming pool with a thrilling 30' waterslide, pedal boats in the lagoon, mini golf and more. Kids will test their skills at interactive activities and learn to fly a drone. There will be a myriad of interesting and unusual events for young and old, along with fantastic live music featuring local bands. For lunch you can grab a Shriner's BBQ burger or hotdog then **enjoy a ride on a Unicorn** later in the day! The activities and attractions will go on and on all day long!

The whole community will be invited where a family of 4 can enjoy a full day of events plus all the frivolous, frivolity and fun they can find at Bissell's. **All for just $50 per family**. Our goal is to raise funds to benefit a number of local charities, including **Big Brothers Big Sisters of South Niagara**. There will be social media advertising, printed posters and flyers to be handed out. We will go to the schools, clubs and local businesses to invite their families to come 'splish, splash and have a blast' at Bissell's Hideaway. Make a Father's Day date with the kids and give Mom's a break! **Tickets are available today at** niagarafamilyfunfest.eventbrite.ca **and for a limited time we're offering an early bird discount. Check it out!**

The Rotary Club of Fonthill is also **seeking sponsors and participants** to be an integral part of this event. This **unique event** will give supporters **unprecedented visibility within the community** and beyond as part of this one-of-a-kind opportunity. All participants and patrons will be encouraged to invite their friends, co-workers and their families to come and enjoy this incredible festive day of amusement, play, pleasure and good times.

Family FunFest will be a wonderful, feel-good experience for every family, local businesses, community groups, schools and charitable organizations. Please help the Rotary Club of Fonthill make a difference right here in your own neighbourhood. What better way to do it than at FunFest? **We would love to have you join us.** Let's talk.

Thank you.
